WEDNESDAY, JUNE 24th, 1942.

Pursuant to recess heretofore taken, the Board of County Commissioners reconvened at the hour of 10:00 o'clock A.M., with all members present: J. B. Gray, Chairman; Ralsa F. Morley and Curtis Greer, members. Andy Stokes, County Clerk.

J. B. Gray, Chairman presiding, the following business was transacted.

Motion by Commissioner Morley, seconded by Commissioner Greer, that the grading and drainage on Memorial Boulevard on 11th Street to 51st Street, upon which bids were received June 22nd, be awarded to McMichael Concrete Company of Tulsa, Low bidder on the project in the amount of \$15,024.94; that the same is done on request of County Engineer and the Consulting Engineer, also on the written approval of the County Attorney, the reason being that construction work for grading and employing of workers has greatly enhanced. It is understood that the above grading must be done in order to get Federal and State Aid for the paving of this road. Upon roll call, all members voting in the affirmative, motion was by the Chairman declared carried.
