Harmon Moore, Election Board, appeared before the Board to update them on the up-grading of Tulsa County's voting system. Contract with Integrated Micro Systems, Inc. was signed on September 3, 1985 and called for it to be fully operational by November 30, 1985. As of this date, it is still not fully operational. He informed the Board that unless IMS is forced to complete this project immediately, the County Election Board does not have the personnel or the ability to conduct the January 28, 1986 Annual School Election with the new voting system. At the present time, the Election Board does not have the knowledge and
