Moved by Commissioner Bailey, seconded by Commissioner Caffey, that the following resolution approving the plans of specifications and estimates of cost for the public distribution system of Water Improvement District number 20 be and the same is hereby approved and adopted. Upon roll call, motion carried.

RESOLUTION

WHEREAS, plans, specifications and estimates of cost for the public distribution system of Water Improvement District No. 20 of Tulsa County, Oklahoma, have been prepared and filed with the Board of County Commissioners, and

WHEREAS, the resolution of the Board of Directors of said Water Improvement District approving said plans, specifications and estimates of cost have been published in the manner and time required by law, and

WHEREAS, all protests have been duly considered by this Board of County Commissioners.

NOW HTEREFORE BE IT RESOLVED by the Board of County Commissioners of Tulsa County, Oklahoma, that the plans, specifications and estimates of cost for said public distribution system as provided by the Board of Directors of Water Improvement District No. 20 of Tulsa County, Oklahoma, be, and the same are hereby approved by the Board of County Commissioners of Tulsa County, Oklahoma, and that it be and hereby is found and decreed that the proposed work for the construction of the public distribution system is proper and necessary to be done, and the said Board of Directors
