

said, or so long as the supply is sufficient for the second party, at a profit, to deliver such gas to first party.

7. The second party hereby agrees that it will not sell any of its gas produced in the vicinity of the above lands to other persons unless and until the first party shall first have received from such supply all the gas required by first party in operating the Tulsa County Poor Farm. However, any surplus of second party over and above such needs of first party may thereafter be sold and delivered to other persons on such terms and conditions as the second party might be able to secure, and the price for such surplus gas shall not, in any manner, modify or alter the price to be paid for gas by first party.

8. So long as the second party has a gas supply sufficient for the needs of first party, the first party shall not purchase any gas or other fuel from any persons whomsoever, but if the gas supply of second party shall fall below the needs of first party, then first party shall have the right to purchase any such additional gas or other fuel as might be required to supplement the supply of gas furnished by second party.

IN TESTIMONY WHEREOF, the parties hereto have on the day and year first above written caused this instrument to be executed by their duly authorized officers and representatives.

Party of the Second Part.

In the matter of the petition of TULSA STONE AND GRAVEL COMPANY, for permission to lay pipe line along under and across certain highways, the following order was made:

O R D E R

NOW, on this 8th. day of August, 1927, the matter of the petition of the Tulsa Stone and Gravel Company, for permission to lay a pipe line along and under certain highways of Tulsa County, State of Oklahoma, came on for hearing before the Board of County Commissioners of Tulsa County and to each of the Commissioners thereof, that it was just that the Tulsa Stone and Gravel Company be permitted to lay, maintain and operate a pipe line along, under and across the following highways in Tulsa County, State of Oklahoma, to-wit:

Commencing at the Northwest Corner of Section Thirty Two
(32) Township Twenty (20) North, Range Fourteen (14)
East; thence East along the south side of said highway
one mile; thence North along the east side of said
highway along the West side of Section Twenty Eight
(28) Township Twenty (20) North, Range Fourteen (14)
East; thence North along the said highway to the place
of business of the Tulsa Stone and Gravel Company

and it appearing from the petition that said pipe line will be so constructed so as not to interfere with any rights of the general public and will be constructed according to all rules of the County Commissioners and the Laws of the State of Oklahoma pertaining to such, and it further appearing that in case or in the event that it is necessary that said County highways be improved or widened then said pipeline will be removed as per the orders of the Board of County Commissioners of Tulsa County.

IT IS, THEREFORE, ORDERED, That the said Tulsa Stone and Gravel Company be and it
