Per Section 7 of the Resolution authorizing and directing the establishment of a 2003 Sales Tax Overview Committee for Vision 2025, Chairman Bob Hyer, emailed the monthly report for the 2003 STOC, citing the following:

- 1. The 2003 Sales Tax Overview Committee (STOC) was called to order at 10:00 a.m. today by Chairperson, in the Lecture Room of the Central Library.
- 2. Meeting guests included Cindy Pickell, Administrative Assistant to Commissioner Smaligo, who will serve as the Committee Secretary next year; and Richard Clark of Channel Six.
- 3. Kirby Crowe presented the current Vision 2025 Report. The Langston University project is nearing completion and will probably be the site for our January meeting. Work continues on the Civic Center expansion. Kirby plans to bring project recipients to future meetings to discuss the impact of their completed projects. He plans an update on the Arkansas River projects at the December meeting.
- 4. The report was accepted and approved by the Committee.
- 5. Dr. John Piercey discussed the current economic climate and its impact on the Vision program. His remarks can probably best be summarized in one word uncertainty. The recent remarketing of the Variable Rate Bonds was at a relatively favorable rate, considering the current havoc in the bond market, but will have to be reset at three months, rather than six. While future sales tax revenues are difficult to project, he still believes they will be sufficient to fund all Vision projects.
