Frank O'Brien, Chairman, presiding, the following business was transacted.

The Board met with the Courthouse Advisory Committee and experts in the marble and waterproofing business to discuss the type of marble used on the exterior of the courthouse and to discuss the possible reasons of leakage in the courthouse.

Mr. Richard T. Courtney with the Western Waterproofing Company reported on their findings after making an examination of the leakage areas in the courthouse and stated that from ninety to ninety-five percent of the leakage difficulty was in the spandrels and sills on the eighth and ninth floors of the building and that such leakage could be alleviated through waterproofing.

Mr. John W. Curtis with the Vermont Marble Company reported that verde antique marble as was used on the exterior of the courthouse is definitely an exterior marble and is used extensively in the United States and Canada as exterior marble in the construction of buildings.

Black and West Architects and Mid-West Tile and Marble Company proposed to recaulk the horizontal joints between the 1,000 or more exterior marble panels on the building and repair any breaks which might be found in the panels. Any other repairs would have to be made by the county at their own expense.

WEDNESDAY, JULY 22, 1959

The Courthouse Advisory Committee, composed of John H. Poe, Cleo Ingle and Jenkin Lloyd Jones, recommended the Commissioners accept the offer made by Black and West Architects and Mid-West Tile and Marble Company.

Moved by Commissioner Caffey, seconded by Commissioner O'Brien, that offer of Black and West Architects and Mid-West Tile and Marble Company be accepted and that work be started immediately. Upon roll call, Commissioner O'Brien and Commissioner Caffey voted Yes, Commissioner Beard voted No. Motion declared carried.

WHEREAS, pursuant to law Roy Cousins has made proper application to the Board of County Commissioners to have certain streets and alleys vacated in Alsuma Townsite, which are described as follows:

> That portion of Brown Street that is North of the platted right-of-way of the Missouri-Kansas-Texas Railroad according to the recorded plat; and that portion of the unnamed alley between Bowman Street and Curtis Avenue which runs East from the right-of-way of the Missouri-Kansas Texas Railroad in Block 9 and 10 of the Alsuma Townsite to the West curb line of Main Street according to the recorded plat; and that portion of Main Street that is North of the North curb line of Bowman Avenue according to the recorded plat, which streets and alley were dedicated and designated as: Brown Street; unnamed alley between Bowman Street and Curtis Avenue; and Main Street.

WHEREAS, due notice of hearing was published according to law in the Tulsa Daily Legal News and said hearing was had on the 14th day of December 1959, during the regular meeting of the Board of County Commissioners at 10:00 o'clock A.M.

R E S O L U T I O N

Hon. State Board of Equalization
State Capitol
Oklahoma City, Oklahoma

Gentlemen:

The State Board's recent Order raising the assessed valuations of urban and rural assessments by various percentages in 63 counties of the State for the year 1960 will delay the starting of the collection of the 1960 taxes in every County in the State if the order is made final.

Due to the lateness of the Order by the State Board requiring these increases, in order to comply with the request, the delay may mean that the taxes for 1960 may not start until as late as December. Even though Tulsa County did not receive an Order to increase assessed valuations, Tulsa County is nevertheless indirectly affected by the increases in bordering counties due to the fact that five school districts in Tulsa County extend into adjoining counties; also Tulsa City extends into Osage County. Therefore, Tulsa cannot compute the 1960 levies in these districts until we receive the final assessed valuations of these various districts.

On account of this dalay, it will necessitate Tulsa County and other municipal subdivisions to borrow money in order to operate during this delay and very resonably cost Tulsa County and other subdivisions in interest to the extent of $40,000.00.

Therefore, the Board of County Commissioners of Tulsa County respectfully requests the Hon. State Board of Equalization to reconsider the Order raising assessed values in the various counties of Oklahoma for the assessment year 1960 and defer it until the taxable year 1961, thereby assisting the county governments of the 77 counties and the various municipal subdivisions thereof to operate on a cash basis.

Respectfully submitted

BOARD OF COUNTY COMMISSIONERS
OF TULSA COUNTY

S/ FRANK O'BRIEN
Chairman

GT/mm

S/ W. V. CAFFEY

WHEREUPON, a recess is hereby taken until further called.

RESOLUTION

PURSUANT to Oklahoma Statutes 1921, Section 9745 a sale of property acquired at resale by Tulsa County was regularly conducted by the County Treasurer, and J. L. Stewart was the successful bidder of the following described property:

Lots 1 to 12, inclusive, Block 3, Middleton Addition to Collinsville, Tulsa County, Oklahoma;

and

WHEREAS, on the 5th day of March, 1934, the Board of County Commissioners ratified and approved the sale of the property to J. L. Stewart, and directed the execution of a deed in his favor, the record of which action appears at Page 437 of Book 9 of the Journal of Commissioners' Proceedings; and

WHEREAS, it appears either that the county deed was never executed or, if executed, was never recorded, and cannot now be located; and

WHEREAS, the present owners of the property are desirous of perfecting their title thereto by removing any possibility that Tulsa County might assert some claim upon the property by reason of the fact that no county deed appears of record; and

WHEREAS, it appears from the Transcript of the County Treasurer's proceedings, upon the basis of which transcript the Board of County Commissioners approved the sale, that the consideration for the deed was paid to the County Treasurer by J. L. Stewart, and that Tulsa County has no claim or interest in the property; and

WHEREAS, by reason of the foregoing considerations, it is deemed to be in the best interests of Tulsa County to relinquish to the owners of record of the described property, any purported or apparent interest which Tulsa County may have therein.

NOW, THEREFORE, BE IT RESOLVED:

(1) That Tulsa County relinquish any and all claim or interestin the following described property:

Lots 1 to 12, inclusive, Block 3,
Middleton Addition to Collinsville,
Tulsa County, Oklahoma,

for the reason that it appears from the records of Tulsa County that its interest passed to J. L. Stewart, by virtue of the payment by him to the County of the amount bid by him for the property at a regularly conducted sale of property acquired by Tulsa County at resale.

(2) That the Chairman of this Board be authorized to execute a Quit Claim Deed in favor of the owners of record of the above-described property in accordance with the tenor of this Resolution.

APPROVED this 29th day of AUGUST, 1960.

WHEREAS, on the 15th day of November, 1941, a sale of property acquired at resale by Tulsa County was regularly conducted by Joe Parkinson, County Treasurer, and Maud Henshall was the successful bidder of the following-described property:

Lots 1, 2, 3, 4, and 12, Block 2; and Lots 3, 4, 10, 11, and 12, Block 3, Goodale Addition to Collinsville, Tulsa County, Oklahoma; and

WHEREAS, on the 17th day of November, 1941, the Board of County Commissioners ratified and approved the sale of the property to Maud Henshall, and directed the execution of a deed in her favor, the record of which action appears in Commissioner's Journal No. 15, Page 351, and Land Records of Tulsa County in Book 1461, Page 556; and

WHEREAS, it appears either that the County deed was never executed or, if executed, was never recorded, and cannot now be located; and

WHEREAS, Maud Henshall, the present owner of the property is desirous of perfecting her title thereto by removing any possibility that Tulsa County might assert some claim upon the property by reason of the fact that no county deed appears of record; and

WHEREAS, by reason of the foregoing considerations, it is deemed to be in the best interests of Tulsa County to relinquish to Maud Henshall owner of the described property, any purported or apparent interest which Tulsa County may have therein.

NOW, THEREFORE, BE IT RESOLVED:

(2) That the Chairman of this Board be authorized to execute a Quit Claim Deed in favor of Maud Henshall owner of the above-described property in accordance with the tenor of this Resolution.

R E S O L U T I O N

WHEREAS, on the 21st day of November, 1960, the hearing before this Board on the survey and report of the Drainage District Commissioner of Fry Drainage District #1, Tulsa County, Oklahoma was continued to this date for approval of the assessments, and

WHEREAS, it appears that the assessments should be paid in one installment and that interest at the rate of six per cent (6%) per annum should be charged on those assessments which are not paid on or before February 15, 1961:

NOW, THEREFORE, BE IT RESOLVED:

(1) That the assessment, at the rate of $19.35 per One Thousand Dollars ($1,000.00) of their valuation for ad valorem tax purposes, of the properties benefited by the cleaning out of the drainage ditch is hereby approved and confirmed.

Moved by Commissioner Caffey, seconded by Commissioners Kinkaid and O'Brien, that the following Resolution in memory of Claude W. Bailey be and the same is hereby approved and adopted, that a copy be furnished each member of his immediate family, and that all offices connected with the County Commissioners be closed at 2:30 p.m. March 14, 1961. Upon roll call, motion carried.

RESOLUTION OF
THE BOARD OF COUNTY COMMISSIONERS,
TULSA COUNTY, OKLAHOMA

Claude W. Bailey, a member of this board for six consecutive terms, covering twelve consecutive years from the year 1945 to and including 1956, departed this life March 12, 1961.

Becoming a citizen of this virgin territory before it became a State and before he had become a man, he has "grown up" with Oklahoma. Prominent in the community, well known to its citizens, it is not strange that he became interested in politics and soon became recognized as a leader within his party. Elected to a position of public trust, he displayed an efficiency and a spirit of cooperation that satisfied his constituency and showed a fidelity to duty that won the lasting regard and respect of both major political parties in Oklahoma and those with whom he served.

No County Commissioner in Tulsa County history has ever been elected for more consecutive terms than he, a fitting memorial to a conscientious and faithful County Officer more permanent and enduring than this resolution in which we have attempted to express in words our memories of this good citizen.

NOW THEREFORE BE IT RESOLVED by the Board of County Commissioners of Tulsa County, that we the members of the Board of County Commissioners, for ourselves, and for all county officers and employees, hereby express our deep sorrow at his passing, and extend our sympathy and condolence to the family, and

MONDAY, MARCH 13, 1961

RESOLUTION (continued)

FURTHER BE IT RESOLVED that this resolution be made a part of the minutes of this Board, and that a copy be furnished to his wife.

Approved and adopted this 13th day of March, 1961.
