NOW, on this 18th day of January, 1965, comes regularly on for hearing, the Petition to Incorporate and Organize a Rural Water District in Tulsa County, Oklahoma, filed with the County Clerk of said County on the 31st day of December, 1964, praying for the incorporation of a Rural Water District within the territory as described and set forth with more particularity in said petition, and the Board of County Commissioners, having considered the petition filed herein, and having heard statements of counsel for said petitioners and all evidence presented for the incorporation of said District, finds:

1. That proper notice of the time and place of this hearing has been given as required by Section 6 of the Rural Water Districts Act (82 Okl. 5. That the petition filed herein is in conformity with the requirements of the Rural Water Districts Act.

IT IS THEREFORE ORDERED, ADJUDGED, DECREED AND DECLARED by the Board of County Commissioners of Tulsa County, Oklahoma, that the lands described in the petition filed herein be, and the same are hereby incorporated and organized as a rural water district under the name of Tulsa County Rural Water District No. 2, Tulsa County, Oklahoma.

WHEREAS, on the 14th day of May, 1965, Tenneco Oil Company, by its authorized agent, L. B. Vaden, wired to the Board of County Commissioners, Tenneco's acceptance of this Boards intentions and provided that a formal contract be submitted for Tenneco's consideration. Said telegram further provided thatthis Board be permitted to contract with Tenneco Oil Company until midnight, June 10, 1965, and

WHEREAS, on June 8, 1965, L. B. Vaden, on behalf of Tenneco Oil Company transmitted to the Board of County Commissioners a telegram referring to Tenneco's previous telegram and extending the time thereof until midnight June 17, 1965, and

WEDNESDAY, JUNE 9, 1965

WHEREAS, a petition has been filed in the District Court of Tulsa County, being Case No. 110261, applying for an injunction against this Board to enjoin the acquisition of said property, but at this time there is no existing prohibition to prevent this Board from entering into a contract to purchase the Wilcox Oil Company property, and

APPROVED AS TO FORM:

/s/ John J. Tanner
Assistant County Attorney

Moved by Commissioner O'Brien, seconded by Commissioner Wamsley, that the Resolution and Agreement to purchase the Wilcox Oil Company property be signed and forward to the proper authority by airmail today (June 9, 1965) before 5:00 p.m. Upon roll call, Commissioners Wamsley and O'Brien voted Aye, Commissioner Kinkaid Nay. Motion declared carried.

David Hall, County Attorney, made the following statement: "Upon request for advise from the Board of County Commissioners, the County Attorney's office officially advises that upon passing of this Resolution and Agreement, the Statute requires that the Chairman of the Board of County Commissioners execute the agreement. County Commissioner Robert L. Kinkaid, Chairman, states that he will not execute the Resolution and Agreement even after the vote of the Commission."

Commissioner Kinkaid made the following statement as his reasons not to execute this Resolution and Agreement with the Tenneco Oil Company regarding the acquisition of the Wilcox Building. "On May 14, 1965, the Board of County Commissioners received an option by wire from Mr. L. B. Vaden, Tenneco Oil Company, Houston, Texas, granting us an option to purchase, for a consideration of $300,000.00 the Wilcox Building and property thereto, and send the form of earnest money contract for our review which I find the County is unable to do. On June 8, 1965 I telephoned Mr. Vaden and he granted us an extension of time on our option until June 17, 1965 because of an injunction granted by Judge Simms. At this moment all injunctions have been released and Board of County Commissioners have been restrained against defendants in this lawsuit and the Excise Board for approving the expenditure of $300,000.00 and should the County Commissioners elect to exercise this option for a consideration of $300,000.00 today, the entire transaction could be consummated without Tenneco Oil Company being involved in a lawsuit. I have been in touch with the Tenneco Oil Company and their legal advisors and they have advised me that they will not execute the Contract and they feel that the only thing binding on them at

WEDNESDAY, JUNE 9, 1965

this time is an option to Tulsa County which must be consummated not later than June 17, 1965 and for these reasons I would like to keep good faith with the owners of the Wilcox Building and acquire the property before they become involved in litigation."

Commissioner O'Brien made the following statement: "That my position is on this proposition of signing the Resolution and Agreement on the purchase of the Wilcox Building is to comply with the legal advise that has been given to us from the County Attorney's office in the manner and procedures in protecting the tax payers of Tulsa County."

Moved by Commissioner Wamsley, seconded by Commissioner O'Brien, that the Resolution and Agreement under consideration be amended to show signature lines for Commissioners Burkett H. Wamsley and Commissioner Frank O'Brien, This being done because of the refusal of Robert L. Kinkaid, Chairman, to execute the Resolution and Agreement and because I was so advised by David Hall, County Attorney of Tulsa, Oklahoma." Upon roll call, Commissioners Wamsley and O'Brien voted Aye, Commissioner Kinkaid passed. Motion declared carried.

WHEREUPON, a recess is hereby taken until further called.
