In the matter of the application of
Manerwa Capple, a citizen by
blood of the Cherokee Nation, for
the removal of the restrictions
upon the sale of her allotment,
except her homestead.

Muskogee, Indian Territory, November 14, 1906.

Number 7205.
Roll No. 6014.

In accordance with the regulations approved by the Secretary of the Interior, May 12, 1904, in conformity to the provisions of the Act of Congress approved April 21, 1904 (33 Stat., 204), I have made a full investigation in connection with the application of Manerwa Capple, a citizen by blood of the Cherokee Nation, for the removal of the restrictions upon the alienation of her allotment (except her homestead), and, as the result of that investigation, satisfied that the removal of restrictions upon the alienation of her allotted lands, except as to her homestead, will be for the best interests of the allottee, and so recommend. The approval of this certificate does not in any manner determine the right of the allottee to any particular tract of land.
