I, Mrs Kate L. Wallace being duly sworn depose and say that I am the mother of Jonas Love a Creek Indian who has received an allotment deed to One Hundred and twenty acres of land from the U.S. Government plus forty acre homestead and that my son the said Jonas Love granted me full power of attorney to act for him in all business transactions pertaining to his land which power of attorney was given me by my son on the fifteenth day of November, 1906.

I never hired Lawyer J. Garfield Bull to work for the release from the Penitentiary of my son Jonas Love through executive clemency or otherwise and never gave any one authority to so hire this lawyer. I never had any conversation with the said J. Garfield Bull concerning his services in this direction and never told him that whatever my son the said Jonas Love might do in regard to his (my son Jonas Love's) land would be satisfactory to me nor did I authorize any one else to tell said J. Garfield Bull anything of this kind.
