To

Galbreath Gas Company.

Permit to Galbreath Gas Company.

Permission is hereby granted to Galbreath Gas Company, its successors, or assigns, the right to construct, operate and maintain, for the use of natural gas, oil or other fluids, upon any portion of the E 1/2 of NW 1/4 of Section 14 Township 19, Range 12 East, containing eighty acres more or less, situate in the Creek Nation, Indian Territory. That in laying and constructing said mains, regulators and appliances, and in exercise of right and privilege herein permitted, no portion of said above described land, or in the event of the above described land being platted into streets, alleys, public grounds, or highways, shall at any time be unnecessarily obstructed.

In consideration of the rights and privileges herein granted by James E. Dunn to said Galbreath Gas Company, that the said Galbreath Gas Company agree to lay pipe line for conveyance of natural gas, oil and other fluids upon and through the above described land, within ninety days from date hereof.

In event of above described land being platted into streets, alleys, highways or public grounds, all rights and privileges herein granted in above described land are extended to streets, alleys, highways and public grounds, so platted.

This permit together with its acceptance in writing, by said Galbreath Gas Company, shall be made and executed by said Company within ten days from date hereof, shall constitute a contract between, and shall become binding on the said James E. Dunn and the Galbreath Gas Company, their heirs, successors, and assigns, and be in full force and effect.

Special rates for manufacturing purposes will be given on application.

Dated this the 25th day of August, 1906.

James E. Dunn.
