

all directions. Some place as long as the house, surrounded
and encloses of the watercress plants used.
In addition to the watercress plants there
are places the have some soft ground. These
are the best for growing vegetables.

If it is necessary that the three classes of persons mentioned above
should be separated that the communication of news may be
more easily made between them and the persons in the middle class,
the said persons shall be allowed to communicate with them
but shall not be allowed to communicate with the persons in the
middle class or with each other. The persons in the middle class
shall be allowed to communicate with each other but shall not be
allowed to communicate with the persons in the upper class.
The persons in the upper class shall be allowed to communicate
with each other but shall not be allowed to communicate with
the persons in the middle class or with the persons in the lower
class. The persons in the middle class shall be allowed to communicate
with each other but shall not be allowed to communicate with
the persons in the upper class or with the persons in the lower
class. The persons in the lower class shall be allowed to communicate
with each other but shall not be allowed to communicate with
the persons in the upper class or with the persons in the middle
class.
