July 30, 1907.

In the matter of the application of Sarah R. Stephens, a citizen by blood of the Cherokee Nation, for the removal of the restrictions upon the sale of her allotment, except her homestead.

Number 3547
Roll No. 5761.

In accordance with the regulations approved by the Secretary of the Interior, May 12, 1904, in conformity to the provisions of the Act of Congress approved April 21, 1904, (33 Stat., 204), I have made a full investigation in connection with the application of Sarah R. Stephens, a citizen by blood of the Cherokee Nation, for the removal of the restrictions upon the alienation of her allotment (except her homestead), and am, as the result of that investigation, satisfied that the removal of restrictions upon the alienation of her allotted lands, except as to her homestead, will be for the best interests of the allottee, and also recommend. The approval of this certificate does not in any manner determine the right of the allottee to any particular tract of land.
