Department of the Interior, United States Indian Service Union Agency Muskogee Indian Territory May 25-1907 Number 8353 Roll No. 2186

In accordance with the regulation approved by the secretary of the Interior May 12-1904 in conformity to the provisions of the act of congress approved April 21-1904 33 Stats 204, I have made a full investigation in connection with the application of Martha J. Moreland a citizen by blood of the Cherokee Nation for the removal of restrictions upon the alienation of her allotment, except her homestead, described as follows: the west half NW¹/₂ of the south east quarter (SE¹/₄) of the north west quarter NW¹/₄ and the south east quarter (SE¹/₄) of the south east quarter (SE¹/₄) of the north west quarter NW¹/₄ of section fifteen (15) township twenty-two (22) north range fourteen (14) east of the Indian base and meridian and as the result of that investigation satisfied that the removal of the restrictions as to the sale of the above described lands will be for the best interest of the allottee, I so recommend. The approval of this certificate does not in any manner determine the right of the allottee to any particular tract of land
