Application of Margaret A. Addington

a citizen by blood of the Cherokee Nation for the removal of the restrictions under the sale of her allotment except her homestead. In accordance with the regulations approved by the Secretary of the Interior May 12, 1904, in conformity to the provisions of the Act of Congress approved April 21, 1904 (33 Stats 202), I have made a full investigation in connection with the application of Margaret A. Addington a citizen by blood of the Cherokee Nation for the removal of the restrictions upon the alienation of her allotment (except her homestead described as follows: South half S² of South east quarter (S E ⁴) of South west quarter SW⁴ of south west quarter SW⁴ of south east quarter S E ⁴ Section twenty-nine (29) township twenty-three (23) N. Range fourteen (14) E. of the Indian Base and Meridian and am, as a result of that investigation, satisfied that the removal of the restrictions as to the sale of the above described lands will be for the best interests of the allottee and I so recommend. The approval of this certificate does not in any manner determine the right of the allottee to any particular tract of land.
