Dear Mr. Tolson
I am writing to you to ask if you can
help me in my research on the
subject of the "Black Book" of
the FBI. I have been told that
you have access to this information
and I would like to see it. I am
interested in the names of the
people who were on the list and
the reasons for their being there.
I am sure that you will be able
to help me in my research.
