In the matter of the application of Mattie E. Banks nee Archer a citizen by blood of the Cherokee Nation for the removal of the restrictions upon the sale of her allotment except her homestead Number 8264 (serial) Roll No. 112-82.

In accordance with the regulations approved by the Secretary of the Interior May 12 - 1904 in conformity to the provisions of the Act of Congress Approved April 21 - 1904 33 Stat 204) I have made a full investigation in connection with the application of Mattie E. Banks nee Archer a citizen by blood of the Cherokee Nation for the removal of the restrictions upon the alienation of her allotment (except her homestead) and am, as the result of that investigation satisfied that that the removal of restrictions upon the alienation of her allotted lands except as to her homestead will be for the best interests of the allottee and I so recommend.

The approval of this certificate does not in any manner determine the right of the allottee to any particular tract of land.
