Roll No. 16469

Office of Indian Affairs
Received
Oct. 11 1907
File 82169.

In accordance with the regulations approved by the
Secretary of the Interior, May 12, 1904, in conformity to the
provisions of the act of Congress approved April 26, 1904
(33 Stat.; 204), I have made a full investigation in
connection with the application of

Mary J. Ware

a citizen by blood of the Cherokee Nation, for the removal
of the restrictions upon the alienation of her allotment
(except her homestead), and as the result of that investigation,
satisfied that the removal of restrictions upon the alienation of her
allotted lands, except as to her homestead, will be for the best
interests of the allottee, and I so recommend. The approval of
this certificate does not in any manner determine the
right of the allottee to any particular tract of land.
