Second part agrees to locate all wells so as to interfere as little as possible with the cultivated portions of the premises, and to pay for all damages to growing crops caused by said operations.

Provided, however, that if a well is not drilled on said premises within one year from the date hereof, then this lease and agreement shall be null and void, unless the party of the second part, within each and every year after the expiration of the time above mentioned for the drilling of a well, shall pay a rental of One Dollar per acre in advance until a well is drilled thereon, or until this lease is cancelled as hereinafter provided. And it is agreed that the completion of a well shall be and operate as a full liquidation of all rental under this provision during the remainder of this lease. It is understood that all the terms and conditions between the parties shall hereto extend and apply to their respective heirs, executors, administrators and assigns.
