

No wells shall be drilled within 50 feet of lessor's house or barn without the consent of said lessor.

Lessor shall have free use of gas for domestic purposes by making connections at the well at his own risk and expense.

Lessor further agrees that lessee shall have the privilege of using sufficient water and oil from said premises to run all machinery thereon, and may use casing head gas from wells drilled thereon for the purpose of operating said wells and wells on other farms owned by lessee without payment of royalty; and lessee may use gas produced from wells on other farms to operate wells on above premises.

And it is further agreed that the lessee may at any time upon the payment of one dollar, and the tender of this lease endorsed with a surrender thereof signed by him surrender this lease to lessor and be thereby discharged and released from all future obligations and responsibilities thereunder, and thereupon this lease shall be null and void and of no further effect, and whatever moneys have been received by the lessor shall be retained by him.

All the conditions and agreements between the parties hereto shall extend and apply to their heirs, executors, administrators, successors and assigns.

In witness whereof, The said parties and wife of said who for said purposes and considerations hereby relinquishes her right of dower and homestead in said premises, have hereunto set their hands and seals this day of Aug A D 1908.
