

date hereof, and as much longer as oil or gas is found or produced in paying quantities thereon.

In consideration of said grant and demise, the party of the second part agrees to deliver to the party of the first part one eighth (1/8) of the oil realized from the premises in tanks at the well or pipe line without cost, at the option of the party of the first part. If gas is found in any well or wells on said premises, the party of the first part will have, upon demand, sufficient gas for domestic purposes free of charge. The remainder with all the gas from the oil wells, to go to the party of the second part. If the party of the second part shall market any gas from any well producing gas only, then the party of the first part shall receive therefor at the same rate prescribed by Department of Interior Dollars per annum for all gas so marketed or sold.

The party of the second part agrees to locate wells so as not to interfere any more than is reasonably necessary with the houses on the premises.

The party of the second part further agrees that in case no well is drilled for oil or gas within one year from the date hereof, all rights and obligations secured under this grant and demise shall cease upon notice in writing being served by the party of the first part unless the party of the second part shall elect from year to year to continue this grant and demise in force as to any or all portions of the premises by paying in advance an annual rental of \$one dollar per acre for all of said premises or such portion thereof as the party of the second part may designate until a well is drilled, provided that upon the completion of said well the above provided for rentals shall cease.

All payments of said rentals to be made at the First National Bank of Tulsa, Okla. to the credit of the party of the
