

free use of the gas for all purposes for which he may desire to use the same in drilling and other operations on said land. And secondly, shall have the right to remove the machinery, buildings, pipes or fixtures placed on said land by him or any one acting for them if removed within ninety days after the abandonment of this lease, and shall have free use of water on said land from the surface water but not to interfere with the supply for farm use.

It will be noted, however that the first part of any building now on said land, without first getting consent of first party shall have free use and control of said land except in so far as such use and control may conflict and interfere with the use and control of the second party for its purpose as aforesaid in this lease. First party to have free access to all wells and to give truthful statements concerning all matters relative to the lease and all other matters not to be used off said land by drain or ditch and not be allowed to run over the surface of said tract. It is understood by and between the parties hereto that the terms of this lease shall extend to and include upon their lease, operations, improvements, excavations and assigns. It is further agreed on the said parties of the first and second parts that the same to set on the day and year first above written.
