

gas and mineral royalty estate and interest therein and in and to the oil and gas royalties and payments under any existing oil and gas leases or coal leases and any such leases that might hereafter be made to said lands, and the perpetual and irrevocable right, privilege and easement of entering upon said lands and prospecting for, producing, extracting and taking away any or all of the oil, gas, coal and other minerals in or under said lands, all as set forth in said deed of June 23, 1922. which deed was presented to the Court for examination, and it was agreed by all parties that the deed described in the petition should not be approved and should be of no force nor effect, but should be destroyed and that said quit-claim deed should not be made, and thereupon the petitioner requested that his petition should be considered by the Court as amended so as to pray for the approval of his said warranty deed to J. J. Deaner this day made, instead of the deed mentioned in his petition, and that his petition be so amended and as so amended it be considered by the Court and granted; and thereupon said hearing was by the Court continued until 9 o'clock A. M. on June 24, 1922.

Now at 9 o'clock A. M. on this 24th day of June, 1922, said cause comes on again for hearing, pursuant to continuation from June 23, 1922 and the petitioner is recalled and examined by the Court to determine whether or not he understands the full force and effect of his said deed of June 23, 1922 made by him to J. J. Deaner to an undivided three-eighths interest in the oil and gas and coal and mineral rights in certain lands described in said deed and in his petition and from the evidence the Court finds that the petitioner fully understands the force and effect of said deed and that the petitioner has actually received the agreed consideration of \$2500.00 named in said deed, the same having been actually paid to him in cash by the said J. J. Deaner.

The Court further finds from all the evidence that said lands are part of the lands allotted to the heirs of Helen Hardridge, a citizen of the Creek Nation, enrolled on the Creek Indian Roll as No. 9599 and as of the full blood; that the said Helen Hardridge was the daughter of petitioner, Eli E. Hardridge, of Creek Indian Roll No. 3507, and petitioner's wife, Millie Hardridge, a citizen of the Creek Nation, enrolled on the Creek Indian Roll as No. 3508 and as of the full blood; that the said Helen Hardridge died at the age of about five months on July 28, 1901, at her permanent home and residence, being the permanent home and residence of her said parents, at the village of Okmulgee, now the City of Okmulgee, Oklahoma, being in that part of the Creek Nation, Indian Territory that is now included in Okmulgee County, State of Oklahoma, leaving her surviving her said parents and also leaving her surviving her half-sister, one Evaline Martin, of Creek Indian Roll No. 3509, and leaving her surviving no full brothers nor descendants of full brothers and no half-brothers nor descendants of half-brothers and no full sisters nor descendants of full sisters and no half-sisters other than the said Evaline Martin and no descendants of half-sisters; that the said Millie Hardridge died, intestate, on January 3, 1902, at her permanent home and residence in the Town of Okmulgee, now the City of Okmulgee, Oklahoma, being in what is now Okmulgee County, State of Oklahoma, leaving her surviving no descendants excepting the said Evaline Martin and leaving her husband, the petitioner, Eli E. Hardridge; that there was duly allotted to the heirs of the said Helen Hardridge said lands described in said deed, to-wit, the Northeast Quarter of the Northwest Quarter and Lot 2 and the North Half of the Northwest quarter of the Southwest Quarter and the North Half of the North Half of the South Half of the Northwest Quarter of the Southwest Quarter of Section 12, Township 18 North, Range 12 East and the southwest Quarter of the Southwest Quarter of the Southeast quarter of the Southwest Quarter of Section 32, Township 18 North, Range 13 East, containing 79.62 acres, more or less,
