DRILLING CONTRACT

This indenture made and entered into by and between T. S. Watts and J. H. Gaywood hereinafter called parties of the first part, and J. A. Shogren and B. McFarland hereinafter called parties of the second part; Witnesseth,

That for and in consideration of \$1.00 and other good and valuable considerations the parties of the first part represent show that they have certain Oil & Gas Leases on certain lands in Tulsa County Okla. and hereby transfer 21/32 of their Interests in and to said leases on the following conditions, to wit:

That parties of the second part for and in consideration of the above interest in said leases hereby agree to drill oil wells or wells to the depth designated as follows:

One well on the North half of the North half of the South West quarter ( N $\frac{1}{2}$  of N $\frac{1}{2}$  of SW $\frac{1}{4}$  ) of Section 13, Township 18, Range 12 East. to a depth of 750 feet or deeper and one well on the East half of North west quarter ( E $\frac{1}{2}$  of NW $\frac{1}{4}$  ) of Section 13, Township 18, Range 12 E. to a depth of 750 feet or deeper.

The two wells above described , one of which must be commenced not later than 25 days from the signing of this Contract and parties to use diligence in completing the said wells above described, and in case parties of the second part fail to start a well on the above described land within 25 days from the signing of this contract, then this contract to be null and void and of no effect.

The parties of the second part for the above consideration further agree to start a deep test well and complete said well to the Wilcox sand, said deep test well to be started within four Months from the date of signing this contract, on E $\frac{1}{2}$  of NW $\frac{1}{4}$  of Sec. 13, Twp 18 R. 12

It is hereby stipulated and agreed by and between the parties hereto That in case an Oil Sand which produces to the satisfaction of the Party of the first part is found at a lesser depth than the Wilcox Sand, Then and in that event Parties of the second part will not be required to drill to the Wilcox Sand.

In case Oil or Gas is found in paying quantities in any one or all of the above mentioned wells, such Oil shall be placed in the Tank and such Gas shall be equipped to the surface without any expense to the parties of the first part.

Signed, Sealed and delivered This 14th day of July 1922.
