of Section 32 Township 19 Range 13 and containing forty acres, more or less
It is agreed that this lease shall remain in force for a term of One (1) years from date, and as long thereafter as oil or gas, or either of them, is produced from said land by the lessee.
In consideration of the premises, the said lessee covenants and agrees:
1st. To deliver to the credit of lessor, free of cost, in the pipe line to which he may connect his wells, the equal one-eighth part of all oil produced and saved from the leased premises.
2nd. To pay the lessor one-eighth (1/8) of proceeds, payable monthly DOLLARS each year in advance, for the gas from each well where gas only is found, while the same is being used on off the premises, and if used in the manufacture of gasoline or any other product, a royalty of one-eighth (1/8), payable monthly at the prevailing market rate; and lessor to have gas free of cost from any such well for all stoves and all inside lights in the principal dwelling house on said land during the same time by making his own connections with the land at his own risk.
3rd. To pay lessor for gas produced from any oil well and used on off the premises, one-eighth (1/8) of proceeds, payable monthly DOLLARS each year in advance, for the gas from each well where gas only is found, while the same is being used on off the premises, and if used in the manufacture of gasoline or any other product, a royalty of one-eighth (1/8), payable monthly, at the prevailing market rate.
If no well be commenced on said land on or before the 14th day of August, 1922, this lease shall terminate as to both parties, unless the lessee or on before this date shall pay or tender to the lessor and to the lessor's credit in the sum of DOLLARS which shall operate as a rental and cover the privilege of exploring the commencement of a well for one month from said date. In like manner and upon like payments or tenders the commencement of a well may be further deferred for like periods of the same number of months successively. And it is understood and agreed that the consideration first recited herein in the down payment covers not only the privileges granted to the date when said first rental is payable in advance but also the lessor's option of extending that period as aforesaid, and any and all other rights considered.

Should the first well drilled on the above described land be a dry hole, then, and in that event, if a second well is not commenced on said land within twelve months from the expiration of the last rental period which rental has been paid, this lease shall terminate as to both parties, unless the lessee on or before the expiration of said twelve months shall resume the payment of rental for the same amount and in the same manner as hereinbefore provided. And it is agreed that upon the resumption of the payment of rental as above provided that the last preceding paragraph thereof governing the payment of rentals and the effect thereof shall continue in force just as though there had been no interruption in the rental payments.

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided shall be paid the lessor only in proportion which his interest bears to the whole and undivided fee.

Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for its operation thereon, except water from wells of lessor. When requested by the lessor, lessee shall bury its pipe lines below plow depth.

No well shall be drilled nearer than 200 feet to the house or barn now on the premises, without the written consent of the lessor.

Lessee shall pay for damages caused by its operations to growing crops on said lands.

Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

If the estate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed, the covenants hereof shall extend to their heirs, executors, administrators, successors or assigns, but no change in the ownership of the land or assignment of rentals or royalties shall be binding on the lessee until after the lessee has been furnished with a written transfer or assignment or a true copy thereof; and it is hereby agreed in the event this lease shall be assigned as to a part or parts of the above described lands and the assignee or assignees of such part or parts shall fail or make default in the payment of the proportionate part of the rentals due from him, or them, such default shall not operate to defeat or affect this lease in so far as it covers a part or parts of said lands which the said lessee or any assignee thereof shall make due payment of said rental.

Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the lessee shall have the right at any time to redeem for lessor, by payment, any mortgage, taxes or other liens on the above described lands, in the event of default of payment by lessor, and be subrogated to the rights of the holder thereof.
