Roll No. 28990

In the matter of the application of
William H. Thornton
a citizen by blood of the Cherokee
Nation, for the removal of
restrictions upon the sale of his
allotment, except his homestead

In accordance with the regulations approved by the
Secretary of the Interior, May 12, 1904, in conformity to
the provisions of the Act of Congress approved Sept 21, 1904,
(33 Stat., 204), I have made a full investigation in
connection with the application of William H. Thornton,
a citizen by blood of the Cherokee Nation, for the removal
of the restrictions upon the alienation of his allotment
(except his homestead), and am, as the result of that
investigation, satisfied that the removal of restrictions
upon the alienation of his allotted lands, except as to his
homestead, will be for the best interests of the allottee, and
so recommend the approval of this certificate does not in
any manner determine the rights of the allottee to any
particular tract of land
