

I hereby assign the stock aforesaid to said Association as collateral security for said loan, and I authorize it, then said stock is fully paid up, or should I fail for three months to make the payments above stated, at its option, to withdraw said stock in accordance with the bylaws of said Association, or any or all of the money paid thereon, and apply the amount withdrawn to the payment of said loan, or the interest thereon, or any of the assessments above stated.

Should any part of said loan or the interest thereon, or any part of said assessments remain unpaid after the withdrawal value of said stock is so applied, they shall become due and payable at the option of said Association. All unpaid installments shall bear interest at the rate of ten per cent per annum, from the time the same are due and unpaid.

After six monthly installments become due, and unpaid, then the whole amount of principal and the interest thereon shall become due and payable, at the option of the Association, and the mortgage or other security may be enforced for the payment thereof.
