section 2, township 18N, range 13E and containing  $17\frac{1}{2}$  acres more or less. It is agreed that this lease shall remain in force for a term of five years, from this date, and as long thereafter as oil or gas or either of them is produced from said land by lessee.

In consideration of the premises the said lessee covenants and agrees.

1st. To deliver to the credit of lessor, free of cost, in the pipe line to which he may connect its wells, the equal one-eighth part of all oil produced and saved from the leased premises.

2nd., To pay lessor for gas produced from any well and used off the premises, or in the manufacture of gasoline or any other product, a royalty of one-eighth ( $1/8$ ) payable monthly at the prevailing market rate.

If no well be commenced on said land on or before the 2nd day of January, 1924, this lease shall terminate as to both parties, unless the lessee shall on or before that date pay or tender to the lessor or to the lessor's credit in the Exchange National Bank at Tulsa, Oklahoma, or its successors, which shall continue as the depository regardless of changes in the ownership of said land, the sum of seventeen and 50/100 (\$17.50) dollars, which shall operate as a rental and cover the privilege of deferring the commencement of a well for twelve months from said date. In like manner and upon like payments or tenders, the commencement of a well may be deferred for like periods of the same number of months successively, and it is understood and agreed that the consideration first recited herein, the down payment, covers not only the privilege granted to the date when said first rental is payable as aforesaid, but also the lessee's option of extending that period as aforesaid, and any and all other rights conferred.

Should the first well drilled on the above described land be a dry hole, then, in that event, if a second well is not commenced on said land within twelve months from the expiration of the last rental period for which rental has been paid, this lease shall terminate as to both parties, unless the lessee on or before the expiration of said twelve months shall resume the payment of rentals, in the same amount and in the same manner as hereinbefore provided. And it is agreed that upon the resumption of the payment of rentals, as above provided, that the last preceding paragraph hereof governing the payment of rentals and the effect thereof, shall continue in force just as though there had been no interruption in the rental payments.

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided for shall be paid the said lessor only in the proportion which its interest bears to the whole and undivided fee.

Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for its operations thereon except water from the wells of lessor.

When requested by lessor, lessee shall bury its pipe lines below plow depth.

No well shall be drilled nearer than 200 feet to the house or barn now on said premises without written consent of lessor.
