

434  
Tulsa County, Oklahoma, containing in all 116.30 acres, according to the U. S. Government survey thereof;

That under date of December 16, 1909, this affiant, acting as guardian of said minor and under authority of the County Court of Tulsa County, Oklahoma, made, executed, acknowledged, and delivered unto C.L. Mullen an oil and gas mining lease covering said above described lands, which said lease was duly filed for record in the office of the Register of Deeds of Tulsa County, Oklahoma, on December 17, 1909, and recorded in Record 61, at page 564; that said lease provided that in case an oil and gas well should not be completed on said lands within nine months from final execution and delivery of said lease then said lease should be forfeited as to both parties.

Affiant further says that no well was commenced or drilled on said lands described in said lease at any time since the execution thereof and that the said C. L. Mullen never took possession of said lease, or any part thereof, and never asserted any rights thereunder.

Affiant further says that the said C. L. Mullen, lessee herein named, never paid any rentals for the delay in the drilling of said wells as therein contemplated to be done, and has wholly made default in said lease in each and every particular and has never since asserted any right of any nature whatsoever thereunder.

Affiant further says that on the -----day of August, 1911, the said C. L. Mullen, the said lessee, made, executed, acknowledged and delivered unto Helen H. Woodward, a minor, a release of said oil lease above mentioned; that the same was delivered to this affiant and that said release was not placed of record but was lost by this affiant and that he has been unable to locate same; affiant further says that he has made diligent search for the said C. L. Mullen, but has been unable to find him to secure another release of said oil lease above mentioned.

Further affiant saith naught.
