

COMPARED

Should the first well drilled on the above ^{described} land be a dry hole, then, and in that event, if a second well is not commenced on said land within six months from the expiration of the last rental period for which rental has been paid, this lease shall terminate as to both parties, ^{beginning the expiration} of said twelve months shall resume the payment of rentals. In the same amount and in the same manner as hereinbefore provided. And it is agreed that upon the resumption of the payment of rentals, as above provided, the last preceding paragraph hereof governing the payment of rentals and the effect thereof, shall continue in force just as though there had been no interruption in the rental payments.

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided for shall be paid ^{to said lessor} only in the proportion which their interest bears to the whole and undivided fee.

Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for their operations thereon except water from the wells of lessor.

When requested by lessor, lessee shall bury their pipe lines below plow depth.

No well shall be drilled nearer than 200 feet to the house or barn now on said premises without ^{written} consent of lessor.

Lessee shall pay for damages caused by their operations to growing crops on said land.

Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

If the estate of either party hereto is assigned, - and the privilege of assigning in whole or in part is expressly allowed - the covenants hereof shall extend to their heirs, executors, administrators, successors or assigns, but no change in the ownership of the land or assignments of rental or royalties shall be binding on the lessee until after the lessee has been furnished with a written transfer or assignment of a true copy thereof; and it is hereby agreed that in the event this lease shall be assigned as to a part or as to parts of the above described lands and the assignee or assignees of such part or parts shall fail or make default in the payment of the proportionate part or the rents due from him or them, such default shall not operate to defeat or affect this lease in so far as it covers a part or parts of said lands upon which the said lessee or any assignee thereof shall make due payment of said rental.

Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the lessee shall have the right at any time to redeem for lessor, by payment, any mortgages, taxes or other liens on the above described lands, in the event of default by payment by lessor, and be subrogated to the rights of the holder hereof.
