This agreement, entered into this the 11th day of April, 1924, between John W. Moorman and Rebecca P. Moorman, husband and wife, hereinafter called lessor, and John S. Hoff, hereinafter called lessee, does witness:

1. That lessor, for and in consideration of the sum of one and no/100 dollars (\$1.00) in hand paid, and of the covenants and agreements hereinafter contained to be performed by the lessee, has this day granted and leased and (hereby grants, leases and lets) unto the lessee for the purpose of mining and operating for and producing oil and gas and casinghead gas and casinghead gasoline, laying pipe lines, building tanks, storing oil, building powers, stations, telephone lines and other structures thereon to produce, save, take care of and manufacture all of such substances, and for housing and boarding employees the following described tract of land in Tulsa County, Oklahoma, to-wit: The northwest quarter (NW $\frac{1}{4}$) in section 14 township 19, N, range 136E, and containing 160 acres, more or less.

2. This lease shall remain in force for a term of one year and as long thereafter as oil, gas, casinghead gas, casinghead gasoline, or any of them is or can be produced.

3- The lessee shall deliver to the credit of the lessor as royalty, free of cost, in the pipe line to which lessee may connect its wells the equal one-eighth part of all oil produced and saved from the leased premises, or at the lessee's option, may pay to the lessor for such one-eighth royalty the market price for oil of like grade and gravity prevailing on the day such oil is run into the pipe line or into storage tanks.

4. The lessee shall pay lessor, as royalty, $\frac{1}{8}$ the market price of such gas each year from each well where gas only is found while the same is being used off the premises, and shall pay to the lessor the sum of fifty dollars (\$50.00) each year as royalty on each gas well where gas only is found and the same is not used or sold, and while said royalty is so paid said well shall be held to be a producing well under paragraph number two hereof. The lessor to have gas free of charge from any gas well on the leased premises for all stoves and inside lights in the principal dwelling house on said land by making his own connections with the well, the use of said gas to be at the lessor's sole risk and expense at all times.

5. The lessee shall pay to lessor for gas produced from any oil well, and used by the lessee for the manufacture of gasoline, as royalty, one eighth of the market value of such gas. If said gas is sold by the lessee, then as royalty one-eighth of the proceeds of the sale thereof.

6. If operations for the drilling of a well for oil or gas are not commenced on said land on or before one year from this date, this lease shall terminate as to both parties.

8. If at any time prior to the discovery of gas or oil on this land and during the term of this lease, the lessee shall drill a dry hole, or holes, on this land, this lease shall not terminate, provided operations for the drilling of a well shall be commenced by the next ensuing rental paying date, or provided the lessee begins or resumes the payments of rentals in the manner and amount herein above provided, and in this event the preceding paragraphs hereof governing the payment of rentals and the manner and effect thereof shall continue in force.

9. In case said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided for shall be paid the said lessor only in the proportion which his interest
