Roll No. 28124.

In accordance with the regulations approved
by the Secretary of the Interior, May 12, 1904, in
conformity to the provisions of the Act of Congress
approved April 21, 1904, (33 Stat., 204), I have made a
full investigation in connection with the applica-
tion of Mary V. Rogers, a citizen by blood of the
Cherokee Nation, for the removal of the restrictions
upon the alienation of her allotment (except her
homestead), and am, as the result of that investi-
gation, satisfied that the removal of restrictions
upon the alienation of her allotted lands, except as
to her homestead, will be for the best interests of the
allottee, and I so recommend. The approval of this
certificate does not in any manner determine
the right of the allottee to any particular tract of
land.
