SUPPLEMENTAL AGREEMENT

( Departmental. )

MEMORANDUM OF AGREEMENT, Made and entered into in triplicate, this the 4th day of Oct. 1918, by and between COSDEN OIL & GAS COMPANY, a corporation, party of the first part, and ATLANTIC PETROLEUM CORPORATION, a corporation, Tulsa, Oklahoma, party of the second part.

WITNESSETH: That,

WHEREAS, on the 23rd day of November, 1917, party of the first part made, executed and delivered to the party of the second part an agreement in writing, whereby party of the first part agreed to sell and party of the second part agreed to purchase, the casinghead gas produced from wells located on the following described land in Tulsa County, Oklahoma, to-wit:

The Northwest quarter of the Northeast quarter of Section 33, Township 17 North, Range 14 East,

which said agreement was expressly made subject to the regulations of the Department of the Interior approved August 10th, 1917, and

WHEREAS, the party of the second part holds similar contracts executed by other lease owners covering the following described lands, to-wit:

SE 1/4	34 - 17 - 14
NE 1/4	34 - 17 - 14
NE 1/4 NW 1/4	34 - 17 - 14
SE 1/4 SW 1/4	27 - 17 - 14
S 1/2 SE 1/4	27 - 17 - 14
E 1/2 NE 1/4 & 1/4	
SW 1/4 NE 1/4	33 - 17 - 14
NW 1/4 NW 1/4	34 - 17 - 14
W 1/2 SW 1/4	27 - 17 - 14
NW 1/4	35 - 17 - 14
N 1/2 SW 1/4	35 - 17 - 14
S 1/2 SW 1/4	35 - 17 - 14

from all of which lands the party of the second part is now utilizing casinghead gas in the manufacture of casinghead gasoline at its plant on the Townsite of Wealaka, and

WHEREAS, Section 5 of the said regulations provides that the gasoline productivity of casinghead gas per thousand cubic feet shall be determined by a physical field test of the same, which contemplates a separate test on each leasehold of the gas taken therefrom, and it is desired that in lieu of a separate test on each leasehold, one test shall be made at the plant of the second party, of all of the gas from all of the lands above described, utilized by party of the second part.

NOW, THEREFORE, conditioned upon the approval of the Department of the Interior, it is stipulated and agreed that, in lieu of a separate test of casinghead gas produced from the lands covered by the said agreement of the 23rd day of November, 1917, there shall be one test made at the plant of party of the second part, which said test shall be taken from the discharge side of the vacuum pump at said plant, and that the gasoline content as determined by the said test shall, for the purpose of said agreement, constitute the gasoline content of the gas taken from the lands described therein. The time, manner and method of making the
