COMPARED

SUPPLEMENTAL AGREEMENT.

(Commercial.)

MEMORANDUM OF AGREEMENT, Made and entered into in duplicate, this the 10th day of July, 1918, by and between THE CARTER OIL COMPANY, a corporation, party of the first part, and ATLANTIC PETROLEUM CORPORATION, a corporation, Tulsa, Oklahoma, party of the second part,

W I T N E S S E T H: That,

WHEREAS, on the 6th day of December, 1917, party of the first part made, executed and delivered to the party of the second part an agreement in writing, whereby party of the first part agreed to sell and party of the second part agreed to purchase, the casing-head gas produced from wells located on the following described land in Tulsa County, Oklahoma, to-wit:

The Northwest quarter of the Northwest quarter of Section 34,
Township 17 North, Range 14 East, and

The West half of the Southwest quarter of Section 27, Township 17 North, Range 14 East.

AND, WHEREAS, the party of the second part holds similar contracts executed by other lease owners covering the following described lands, to-wit:

from all of which lands the party of the second part is now utilizing casinghead gas in the manufacture of casinghead gasoline at its plant on the Townsite of Wealaka, and

WHEREAS, the said agreement of the 6th day of December, 1917, provides, among other things, that, in order to determine the gasoline productivity of the casinghead gas per thousand cubic feet produced from the land covered by the said agreement, the party of the second part shall make physical field tests of said gas in the manner prescribed by Section 5 of the Regulations Governing the Utilization of Casinghead Gas from Oil Wells on Restricted Indian Lands, approved by the Secretary of the Interior August 10th, 1917, and it is desired that in lieu of a separate test on each of the above mentioned leaseholds, one test shall be made at the plant of the second party of all the gas from all the land above described, utilized by the party of the second part.

NOW, THEREFORE, it is stipulated and agreed that, in lieu of a separate test of casinghead gas produced from the lands covered by the said agreement of the 6th day of December, 1917, there shall be one test made at the plant of party of the second part, which said test shall be taken from the discharge side of the vacuum pump at said plant, and that the gasoline content as determined by the said test shall, for the purposes of said agreement, constitute the gasoline content of the gas taken from the lands described therein. The time, manner and method of making the said test, however, shall, in all other respects, be the same as is prescribed in the said agreement of the 6th day of December, 1917, and nothing herein contained shall be construed to change, alter or modify said agreement, except in the particular above specified.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be execu-
