Should the first well drilled on the above described land be a dry hole, then, and in that event, if a second well is not commenced on said land within twelve months from the expiration of the last rental period for which rental has been paid, this lease shall terminate as to both parties, unless the lessee on or before the expiration of said twelve months shall resume the payment of rentals in the same amount and in the same manner as hereinbefore provided. And it is agreed that upon the resumption of the payment of rentals, as above provided, that the last preceding paragraph hereof, governing the payment of rentals and the effect thereof, shall continue in force just as though there had been no interruption in the rental payments.

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided for shall be paid the less or only in the proportion which _____ interest bears to the whole and undivided fee.

Time is the essence of this contract and notwithstanding the term hereinabove specified, unless a well is commenced upon this property within 30 days from the date of this lease, and drilling operations continued with all due diligence and dispatch until said well is completed either as a producing well or as a failure, this lease shall be null and void and a proper release shall be filed by the lessee releasing this lease.
