of section _____ Township _____ Range _____ and containing _____ acres, more or less.

It is agreed that this lease shall remain in force for a term of _____ Two (2) _____ years from this date, and as long thereafter as oil or gas, or
 either of them is produced from said land by the lessee.

In consideration of the premises the said lessee covenants and agrees:

1st. To deliver to the credit of lessor, free of cost, in the pipe line to which _____ he _____ may connect _____ his _____ wells, the equal one-eighth part of all oil
 produced and saved from the leased premises.

If no well be commenced on said land on or before the _____ 12th _____ day of _____ December _____ 1925, the lease shall terminate
 as to both parties, unless the lessee on or before that date shall pay or tender to the lessor, or the lessor's credit in the _____ National Bank of Commerce

 of said land, the sum of _____ Sixty (60) _____ DOLLARS, which shall operate as a rental and cover the privileges of deferring

the commencement of a well for _____ 12 _____ months from said date. In like manner and upon like payments or tenders the commencement of a well
 may be further deferred for like period of the same number of months successively. And it is understood and agreed that the consideration first recited herein,
 the down payment, covers not only the privileges granted to the date when said first rental is payable as aforesaid, but also the lessee's option of extending that
 period as aforesaid, and any and all other rights conferred.

Should the first well drilled on the above described land be a dry hole, then, and in that event, if a second well is not commenced on said land within
 twelve months from the expiration of the last rental period for which rental has been paid, this lease shall terminate as to both parties, unless the lessee on or
 before the expiration of said twelve months shall resume the payment of rentals in the same amount and in the same manner as hereinbefore provided. And
 it is agreed that upon the resumption of the payment of rentals, as above provided, that the last preceding paragraph hereof, governing the payment of rentals
 and the effect thereof, shall continue in force just as though there had been no interruption in the rental payments.

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein
 provided for shall be paid the lessor only in the proportion which _____ his _____ interest bears to the whole and undivided fee.

Lessee shall have the right to use free of cost, gas, oil and water produced on said land for _____ its _____ operations thereon, except water from well of
 lessor.

Lessee shall pay for damages caused by _____ its _____ operations to growing crops on said land.

Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

If the estate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed—the covenants hereof shall extend
 to their heirs, executors, administrators, successors or assigns, but so change in the ownership of the land or assignment of rentals or royalties shall be binding
 on the lessee until after the lessee has been furnished with a written transfer or assignment or a true copy thereof; and it is hereby agreed in the event this lease
 shall be assigned as to a part or parts of the above described lands and the assignee or assignees of such part or parts shall fail or make default in the payment
 of the proportionate part of the rents due from him or them, such default shall not operate to defeat or affect this lease in so far as it covers a part or parts of
 said lands which the said lessee or any assignee thereof shall make due payment of said rental.

Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the lessee shall have the right at any time to redeem
 for lessor, by payment, any mortgages, taxes or other liens on the above described lands, in the event of default of payment by lessor, and be subrogated to
 the rights of the holder thereof. Provided it is agreed between the parties herein that unless said lessee
 shall commence the drilling of a well for oil or gas on adjacent lands and located in the
 NE corner of the S.W. $\frac{1}{4}$ of Section 33 Twp. 20N. R. 14E. Tulsa Co., Oklahoma, within 30 days
 from the date hereof and shall complete said well on such adjacent land with due diligence
