 who executed the within and foregoing instrument and acknowledged to me that they executed  
 the same as their free and voluntary act and deed for the uses and purposes therein set

If no well be commenced on said land on or before the 4th day of December 1925 the lease shall terminate  
 as to both parties, unless the lessee on or before that date shall pay or tender to the lessor, or the lessor's credit in the  
 Bank at Okmulgee, Okla. or its successors, which shall continue as the depository regardless of changes in the ownership

of said land, the sum of Eighty DOLLARS, which shall operate as a rental and cover the privileges of deferring  
 the commencement of a well for 12 months from said date. In like manner and upon like payments or tenders the commencement of a well  
 may be further deferred for like period of the same number of months successively. And it is understood and agreed that the consideration first recited herein,  
 the down payment, covers not only the privileges granted to the date when said first rental is payable as aforesaid, but also the lessee's option of extending that  
 period as aforesaid, and any and all other rights conferred.

Should the first well drilled on the above described land be a dry hole, then, and in that event, if a second well is not commenced on said land within  
 twelve months from the expiration of the last rental period for which rental has been paid, this lease shall terminate as to both parties, unless the lessee on or

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein  
 provided for shall be paid the lessor only in the proportion which his interest bears to the whole and undivided fee.

Lessee shall have the right to use free of cost, gas, oil and water produced on said land for its operations thereon, except water from well of  
 lessor.

When requested by lessor, lessee shall bury its pipe lines below plow depth.

No well shall be drilled nearer than 200 feet to the house or barn now on said premises, without the written consent of the lessor.

Lessee shall pay for damages caused by its operations to growing crops on said land.

Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

If the estate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed—the covenants hereof shall extend  
 to their heirs, executors, administrators, successors or assigns, but no change in the ownership of the land or assignment of rentals or royalties shall be binding  
 on the lessee until after the lessee has been furnished with a written transfer or assignment or a true copy thereof; and it is hereby agreed in the event this lease  
 shall be assigned as to a part or parts of the above described lands and the assignee or assignees of such part or parts shall fail or make default in the payment  
 of the proportionate part of the rents due from him or them, such default shall not operate to defeat or affect this lease in so far as it covers a part or parts of  
 said lands which the said lessee or any assignee thereof shall make due payment of said rental.

Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the lessee shall have the right at any time to redeem  
 for lessor, by payment, any mortgages, taxes or other liens on the above described lands, in the event of default of payment by lessor, and be subrogated to  
 the rights of the holder thereof.
