It is agreed that this lease shall remain in force for a term of three years from this date, and as long thereafter as oil or gas, or either of them is produced from said land by the lessee.

If no well be commenced on said land on or before the 7th day of December 1924, the lease shall terminate

as to both parties, unless the lessee on or before that date shall pay or tender to the lessor, or the lessor's credit in the First National

Bank at Tulsa, Oklahoma or its successors, which shall continue as the depository regardless of changes in the ownership

of said land, the sum of One hundred twenty-one (\$121.00) DOLLARS, which shall operate as a rental and cover the privileges of deferring

the commencement of a well for twelve months from said date. In like manner and upon like payments or tenders the commencement of a well may be further deferred for like period of the same number of months successively. And it is understood and agreed that the consideration first recited herein, the down payment, covers not only the privileges granted to the date when said first rental is payable as aforesaid, but also the lessee's option of extending that period as aforesaid, and any and all other rights conferred.

Should the first well drilled on the above described land be a dry hole, then, and in that event, if a second well is not commenced on said land within twelve months from the expiration of the last rental period for which rental has been paid, this lease shall terminate as to both parties, unless the lessee on or before the expiration of said twelve months shall resume the payment of rentals in the same amount and in the same manner as hereinbefore provided. And it is agreed that upon the resumption of the payment of rentals, as above provided, that the last preceding paragraph hereof, governing the payment of rentals and the effect thereof, shall continue in force just as though there had been no interruption in the rental payments.

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided for shall be paid the lessor only in the proportion which his interest bears to the whole and undivided fee.

Lessee shall have the right to use free of cost, gas, oil and water produced on said land for his operations thereon, except water from well of lessor.

When requested by lessor, lessee shall bury his pipe lines below plow depth.

No well shall be drilled nearer than 200 feet to the house or barn now on said premises, without the written consent of the lessor.

Lessee shall pay for damages caused by his operations to growing crops on said land.

Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

If the estate of either party hereto is assigned, and the privilege of assigning in whole or in part is expressly allowed—the covenants hereof shall extend to their heirs, executors, administrators, successors or assigns, but no change in the ownership of the land or assignment of rentals or royalties shall be binding on the lessee until after the lessee has been furnished with a written transfer or assignment or a true copy thereof; and it is hereby agreed in the event this lease shall be assigned as to a part or parts of the above described lands and the assignee or assignees of such part or parts shall fail or make default in the payment of the proportionate part of the rents due from him or them, such default shall not operate to defeat or affect this lease in so far as it covers a part or parts of said lands which the said lessee or any assignee thereof shall make due payment of said rental.

Lessor hereby warrants and agrees to defend the title to the lands herein described, and agrees that the lessee shall have the right at any time to redeem for lessor, by payment, any mortgages, taxes or other liens on the above described lands, in the event of default of payment by lessor, and be subrogated to the rights of the holder thereof. Lessee further agrees to commence operations for the drilling of a test well upon said premises within sixty days from date, unavoidable accidents excepted, said test well to be located in the Southeast corner location of the Southwest quarter of Section 4, Township 19 North, Range 10 East, and not to exceed 300 feet from the East line or 300 feet from the South line of said quarter Section. Said test well to be drilled to the deepest known producing sand in that vicinity unless oil or gas is found in paying quantities at a less depth. Should said lessee fail to carry out this agreement this lease shall terminate as to both parties
