15. If within the primary term of this lease production on the leased premises shall cease from any cause, this lease shall not terminate provided operations for the drilling of a well shall be commenced before or on the next ensuing rental paying date; or, provided lessee begins or resumes the payment of rentals in the manner and amount hereinbefore provided. If, after the expiration of the primary term of this lease, production on the leased premises shall cease from any cause, this lease shall not terminate provided lessee resumes operations for drilling a well within sixty (60) days from such cessation, and this lease shall remain in force during the prosecution of such operations and, if production results therefrom, then as long as production continues.

16. Lessee may at any time surrender this lease by delivering or mailing a release thereof to the lessor, or by placing a release thereof of record in the proper county.

17. It is agreed that this lease shall never be forfeited or cancelled for failure to perform in whole or in part any of its implied covenants, conditions, or stipulations until it shall have first been finally judicially determined that such failure exists, and after such final determination, lessee is given a reasonable time therefrom to comply with any such covenants, conditions, or stipulations.

18. This lease and all its terms, conditions, and stipulations shall extend to and be binding on all successors of said lessor or lessee.

This lease shall be and become entirely null and void unless a Turkey Mountain Sand test well shall be commenced on or before three (3) months from this date within one-half (1/2) mile of some portion of the above described lands; and shall become null and void unless, within sixty (60) days after completion of such well, a Turkey Mountain Sand test be spudded on the lands herein leased, and completed with due diligence.

IN WITNESS WHEREOF, we sign the day and year first above written.
