Mr. W. J. Kerwin

Tulsa, Oklahoma,

Dear Sir:

In making a contract for the drilling of a well on the West Half of the Southwest Quarter Section 21, Township 15 North, Range 9 East, Creek County, Oklahoma, today, we provided a certain trust arrangement to cover that well only which was to be drilled for the purpose of acquiring title to the 80 acres involved. Now, in accordance with our oral agreement it is our intention by this paper to extend that agreement to cover any other additional wells that hereafter ought to be or shall be drilled under this title on said premises and this letter means to be a written modification of all the other agreements heretofore made to the extent of extending the agreement to all wells.

If this is agreeable to you please confirm it by signing this letter at the bottom.

The intention of this is to cover your interest, our interest and all interest that may be acquired under either of us or from either of us, with reference to the 80 acres involved.

Very Truly yours,

E. C. Clay
