

and placed of record by us.

Affiant further says that upon investigation of the title to said land we learned that the said Ezekial Parris had parted with his title to same on March 15, 1909, and therefore had no interest in said land subsequent to that date. As a result, we took no further action in the matter.

Affiant further says that he and his partner, George L. Aycock, never developed said lease, nor did we pay any rentals on same; that said oil and gas lease has long since expired, and is now null and void.

Further, affiant saith not.
