

drilling of a test well to be drilled by the party of the first part, exclusive of the rig, casing and other necessary equipment.

Provided further, that, as a further consideration of this assignment, the said party of the second part, his successors and assigns, will promptly pay his or their proportionate share of the expenses hereinafter made for all future and further drilling, developing, equipping and improvement of said lease and caring for the oil and gas produced from said premises; but in the event the said test well should not produce oil or gas in paying quantities, then the said party of the second part, his successors and assigns, will not be liable for any further expenses in connection with the lease, unless there should be further drilling or developing on said premises.

Provided, further, as a part of the consideration for this assignment, that the party of the first part shall be and he is hereby considered and appointed to act as trustee and agent for said party of the second part, his successors and assigns, in reference to said test well and all future drilling, developing, equipping, operating, caring for, marketing and storing or producing oil or gas from the aforesaid premises under the terms and conditions of the aforesaid oil and gas mining lease, and shall have the power to sign division orders and all other papers incident to the management of the property.

And for the same consideration the undersigned, for himself and his heirs, successors and assigns, or representatives, does covenant with the said assignee, his successors and assigns, that he is the lawful owner of said lease and rights and interests thereunder and the undersigned has good right and authority to sell and convey the same and that all rentals due and payable thereunder have been duly paid.

In witness whereof, the undersigned owner and assignor has signed and sealed this instrument this 10th day of July, 1924.
