COMPARED

DECREE OF SUMMARY ADMINISTRATION.

And now on this 29th day of July, 1922, under the terms of the inventory of the personal estate of J. G. Gilmore, deceased, it appears that the same consists of household furniture and effects and that the value of the whole personal estate of said deceased does not exceed the sum of \$1500.00 and is about \$100.00.

It further appears from the statement of claims filed that no claims have been filed with said administratrix after due notice to the creditors, and after the time for presentation of claims have expired, and that the whole of said personal estate of said deceased, after payment of funeral expenses, the expense of the last sickness, and the expense of administration, does not exceed more than \$100.00, and that the only other estate of said deceased consists of a house and lot which is used and occupied by the administratrix of said deceased, his widow, as her homestead, same being however subject to a mortgage.

It is therefore ordered and adjudged by the court, that there must be and is hereby granted a summary administration of the estate of said deceased, and more than six months having expired since the issuance of letters, it is further ordered and adjudged by the court that said estate, both real and personal, be distributed, and that the title in said real estate namely;

Lot ten (10) in block two (2) of Rosedale addition to the  
City of Tulsa, Tulsa County, State of Oklahoma;

be and the same is hereby decreed and vested to be in the said Carrie Gilmore, as the homestead of said deceased and her homestead, it further appearing that said real estate was acquired during coverture by the joint industry of said J.G. Gilmore, as the husband, and Carrie Gilmore, as the wife and there being no issue of said marriage, and that all personal property left by deceased be in like manner vested and decreed, the property of said Carrie Gilmore.

That further proceedings of administration are dispensed with, and said estate ordered closed, and the bonds of administratrix be discharged.
