S. H. BOOKER, being first duly sworn, on oath states: That he is of legal age and is a resident of the city of Sapulpa, Creek County, Oklahoma, and was on the first day of December, 1920, and is now a duly commissioned and qualified Notary Public in and for Tulsa County, Oklahoma.

That under date of December 1st, 1920, Finley Bowls and Mary Bowls executed a general warranty deed to Elizabeth F. Christian conveying to the latter all of Lot Eleven, in Block 6, in Midway Addition to the city of Tulsa, said deed being recorded in the office of the county clerk in and for Tulsa County, Oklahoma, in Book 362, at page 514.

That this affiant in his capacity as such Notary took the acknowledgment of the said deed, which acknowledgment recites that the said deed was signed by mark in the presence of witnesses, and this affiant, in filling out the acknowledgment of the deed, used the form for use in case where the grantors sign by mark in the presence of witnesses. Affiant further states that the said grantors did not sign by mark, but that the signatures appended to the said deed are the individual signatures of the grantors and were written by the grantors themselves in the presence of this affiant, and that the use of the form of acknowledgment appended to said deed by this affiant, was erroneous.

This affiant states that, on the 1st day of December, 1920, before me, the undersigned, a Notary Public in and for said county and state aforesaid, personally appeared Finley Bowls and Mary Bowls, to me known to be the identical persons who executed the above mentioned and foregoing instrument, and that they acknowledged they executed the same as their free and voluntary act and deed, for the uses and purposes therein set forth.
