It is agreed that this lease shall remain in force for a term of 6 months from date, and as long thereafter as oil or gas, or either of them, is produced from said land by the lessee.

In consideration of the premises the said lessee covenants and agrees:

1st. To deliver to the credit of lessor, free of cost in the pipe line to which he may connect his wells, the equal one-eighth ($1/8$) part of oil produced and saved from the leased premises.

If said lessor own a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided shall be paid the lessor only in proportion which his interest bears to the whole and undivided fee.
