

for the gas from each well where gas only is found, while the same is being sold off the premises; and the first party to have gas free of cost to heat and light one dwelling house on said premises, during the same time.

3. The parties of the second part agree to commence drilling operations on the above described premises within thirty days from date hereof, or this lease shall be null and void.

The parties of the second part have the right to use oil, gas and water produced on said land, free of royalty, for drilling and operating thereon, except water from wells of first party.

When requested by first party the second party shall bury pipe lines except steam lines below plough depth.

The parties of the second part shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

The parties of the second part, their heirs, successors or assigns, shall have the right at any time on the payment of One (\$1.00) Dollar and all payable obligations then due to the party of the first part, his heirs or assigns, to surrender this lease for cancellation, after which all payments and liabilities thereafter to accrue under and by virtue of its terms shall cease and terminate..

But in the event the first well drilled on said premises hereunder produces one hundred barrels of oil for thirty days (average) after that, then second parties shall start another well at once and thirty days after well number two is completed, well number three shall be started and so on until four wells are completed on said premises.

All covenants and agreements herein set forth between the parties hereto shall extend to their successors, heirs, executors, administrators and assigns.
