And whereas, under the terms of said lease the Producers Oil Company was to begin the drilling of an oil and gas well within one mile of said tract of land within ninety days and complete the same to a depth of 2000 feet, unless oil or gas was found in paying quantities at a less depth, within six months from the said 18th day of May, 1909.

And, Whereas, said Producers Oil Company did commence the drilling of a well within less than a mile of said tract of land within the time specified and failed to complete the same within six months from the 18th day of May, 1909, Now,

KNOW ALL MEN BY THESE PRESENTS, That we, John Murray and Lucy Murray his wife, the undersigned, for and in consideration of One Dollar, and other valuable considerations, the receipt of which is hereby acknowledged, do hereby extend the time for the completion of said well for four months from this date and agree that said lease shall remain in full force and effect in all things, except as changed hereby, without additional payments, provided said lease shall be void if a well is not completed on the above described land. *with two years from May the 18th 1909 -*

It is understood that any provisions in the original lease above described with reference to drilling on the lands of Ruth and Whig Murray are hereby abolished and so far as the lease above described is concerned, which lease was given by the undersigned shall in no way effect the same.

It is agreed that if the well, above mentioned, the time for the completion of which is hereby extended, is a profitable oil well at the market price of oil, then the Producers Oil Company shall commence the drilling of a well on this tract of land within three months from the time said well is completed, otherwise said lease shall be void.

For the consideration above set out I hereby warrant to the Producers Oil Company that I am the owner of said above described land and that the same is not leased for oil and gas mining purposes to any other person than the Producers Oil Company.

WITNESS our hands this 6th day of December, 1909.
