

of Section Twenty Three (23) and the South West Quarter of the North East Quarter (SW.  $\frac{1}{4}$  of NE.  $\frac{1}{4}$ ) of Section Sixteen (16), Township Eighteen (18) North, Range Eleven (11) East, and the North East Quarter of the North East Quarter (NE.  $\frac{1}{4}$  of NE.  $\frac{1}{4}$ ) of Section Sixteen (16), Township Eighteen (18) North, Range Eleven (11) East in the County of Creek, State of Oklahoma.

IN CONSIDERATION WHEREOF, the party of the second part agrees to take and receive said gas from the lands above described, and to pay therefor to the party of the first part the sum of two (2) cents per thousand feet per meter measurement, said gas to be taken and received in the manner and amounts as follows.

The party of the second part agrees that all gas which it may sell shall be obtained from lands on which it now holds or may hereafter acquire gas rights in Township Eighteen (18) Range Eleven (11); Township Eighteen (18), Range Twelve (12), Township Nineteen (19) Range Eleven (11) and Township Nineteen (19), Range Twelve (12), and from no other lands. Provided, it is agreed that the party of the second part shall pay for gas received pursuant to this instrument and the contract in this paragraph referred to, from Township Nineteen North, Range Eleven (11) and twelve (12), after the expiration of two years from the date of this instrument, the sum of three (3) cents per thousand cubic feet, meter measurement. And the party of the second part further agrees to take from lands embraced in each of the several leases, now held by the party of the first part, upon the lands first above described, an amount of gas which in proportion to the production of said leases, is equal in amount to the amount of gas which party of the second part may take from <sup>any</sup> the other leases on lands in either of the said townships, in proportion to the production thereof. And it is further agreed that if the total amount of gas, to be taken from the lands first above described, under this contract, the party of the second part shall take an amount of gas from the lands embraced in each of the several leases proportionate to the whole amount to be taken, provided the production of said lease is sufficient.

It is agreed by and between the parties hereto that the party of the second part shall make all connections at its own expense, incidental to the use of any and all of its pipe lines, and also such as are necessary to connect its line at this time or in the future with wells producing, when notified so to do, by the party of the first part, and that the said party of the second part shall lay and maintain at its own expense all lateral lines that may be necessary to such use.

It is further stipulated and agreed that the party of the second part is to furnish meters at all points of consumption at the expense of the said second party. The meters installed as aforesaid, shall represent the actual amount of gas consumed, and the party of the first part and his agents or employees shall have the right to inspect <sup>and all</sup> said meters at any time, and in case either party hereto shall decide to have said meters tested, the test may be made at any time on notice to the opposite party, and the cost of said inspection shall be paid by the party requiring such test, if said meters are found <sup>to be</sup> correct and if said meters are not found <sup>to be</sup> correct, then the cost of such inspection to be borne by the opposite party.

It is agreed that a monthly statement shall be prepared and rendered to the party of the first part by the party of the second part at the cost of said party of the second part, showing the average consumption of gas from the wells of party of the first part, for the preceeding month, by the party of the second part, under the terms and conditions of this contract, and that the party of the first part and his agents or employees shall have the right at any reasonable time to examine the books of said second party, which
