

from the lands on which it now holds or may hereafter acquire gas rights in Township Eighteen (18), Range Eleven (11), Township Eighteen (18) Range Twelve (12), Township Nineteen (19) Range Eleven (11), and Township Nineteen (19) Range Twelve (12) and from no other lands. Provided, it is agreed that the party of the second part shall pay for gas received pursuant to this instrument and the contract in this paragraph referred to, from Township Nineteen (19) North, Range s Eleven and Twelve (11-12) East, after the expiration of two years from the date of this instrument, ^{the} sum of three (3) cents per thousand cubic feet, meter measurement: And the party of the second part further agrees to take from lands embraced in each of the several leases, now held by the party of the first part, upon the lands first above described, an amount of gas which in proportion to the production of said leases, is equal in amount to the amount of gas ^{party of the} which the second party may take from any other lease on lands in either of the said townships, in proportion to the production thereof. And it is further agreed that of the total amount of gas, to be taken from the lands first above described under this contract, the party of the second part shall take an amount of gas from the lands embraced in each of the several leases proportionate to the whole amount to be taken, provided the production of each of said leases is sufficient.

It is agreed by and between the parties hereto that the party of the second part shall make all connections at its own expense, incidental to the use of any and all of its pipe lines, and also such as are necessary to connect its lines at this time or in the future with wells producing, when notified so to do, by the party of the first part, and that the said party of the second part shall lay and maintain at its own expense all lateral lines that may be necessary to such use.

It is further stipulated and agreed that the party of the second part is to furnish meters at all points of consumption at the expense of the said second party. The meters installed as aforesaid, shall represent the actual amount of gas consumed, and the party of the first part and his agents or employees shall have the right to inspect said meters at any and all times, and in case either party hereto shall decide to have said meters tested, the test may be made at any time on notice to the opposite party, and the cost of said inspection shall be paid by the party requiring such test, if said meters are found correct, and if said meters are found ^{not} to be incorrect, then the cost of such inspection to be borne by the opposite party.

It is agreed that a monthly statement shall be prepared and rendered to the party of the first part by the party of the second part at the cost of the said party of the second part, showing the average consumption of gas from the wells of party of the first part, for the preceding month, by the party of the second part, under the terms and conditions of this contract, and that the party of the first part and his agents or employees shall have the right at any reasonable time to examine the books of said second party, which show the amount of gas used by the party of the second part from the said wells. Upon the request of the party of the first part, the party of the second part agrees to render a monthly statement to the party of the first part, on or before the 25th, day of ^{each} the month, showing the ^{all} different sources from which gas taken into the pipe lines of the said second party is received and the party of the second part further agrees at its own expense to set such additional meters, as may be necessary to enable it to make such statements accurately.

It is further agreed that the party of the second part shall render to the party of the first part on or before the 25th day of each month, a statement of all gas used
