

A part of the South Half of the Southwest Quarter of Section 19, Township 18, North Range 13 East, as shown by the plat hereto attached as part hereof and marked "Exhibit B"

It is expressly understood and agreed that the said four inch line for gas and the said three inch line for water when laid shall not in any way encroach upon or interfere with the tanks and fire banks surrounding tanks on said land, and that said grantee shall be liable to said grantor, its successors and assigns for any and all damages arising by reason of the laying or operating of said lines. Said lines shall be laid as nearly as the same can be laid along the line indicated by red ink on the plat hereto attached as part hereof and marked "Exhibit B".

It is further understood and agreed that the grantee herein shall and does assume all risks of every kind and nature to its said lines and that the grantor shall not be liable to the grantee, its successors and assigns for any damages by reason of fires or otherwise on said tracts of land or either of them.

In case the future operations of the said grantor on said lands shall require the removal of any part of said lines, such removal shall be done by the grantee, its successors and assigns, at the expense of the said Grantees.

The rights herein granted shall permit the use of such land as may be necessary for said pipe lines, and shall also permit the grantee herein, its successors and assigns, to do whatever may be necessary to their construction for the enjoyment of the rights herein granted, including the right of ingress and egress to and from said tract of land for the purpose of laying, maintaining, repairing and restoring of said lines, and for the removal of same when desired by the grantee, its successors and assigns; but such rights shall not include the right to disturb any fire bank or other property or improvements on said lands belonging to the grantor, its successors or assigns.

TO HAVE AND TO HOLD THE SAID EASEMENT unto the said The Gulf Pipe Line Company, its successors and assigns, so long as the same shall be useful for the purposes desired by said grantee, which by the acceptance hereof it, said grantees, covenants and agrees with the grantor that the said lines of pipe shall be buried so as not to interfere with the uses of the said tract by the grantor, its successors and assigns.

WITNESS the signature of the grantor herein, this 3rd, day of July 1909.
