-----  
Agreement.

IN CONSIDERATION OF THE SUM OF One & no/100 (\$1.00) Dollars, the receipt of which is hereby acknowledged, and in further consideration of the covenants and agreements hereinafter mentioned James W. Ward, and Eva G. Ward, his wife, of Collinsville, Rogers County, State of Oklahoma, hereinafter referred to as the lessors hereby grant unto Henry E. Hille hereinafter referred to as the lessee his heirs, successors, and assigns, all the oil and gas in and under the following described premises, together with the exclusive right to enter thereon at all times for the purpose of drilling or operating for oil, gas or water, and to erect, install and maintain all buildings and structures, machinery and appliances and lay all pipes necessary for the production, storage and transportation of oil gas or water upon and from said premises. Excepting and reserving, however, to the lessors the one eighth  $1/8^{th}$  part of all oil produced and saved from said premises, to be delivered in the pipe line with which the lessee may connect his wells, namely: All that certain lot of land situated in the Township of Twenty one (21) North County of Tulsa in the State of Oklahoma, bounded and described as follows, to-wit:

The east one half ( $E\frac{1}{2}$ ) of Northeast One-Quarter ( $NE\frac{1}{4}$ ) of section Sixteen (16) Township twenty one (21) North, range Thirteen (13) East of the Indian Base and Meridian containing eighty (80) acres more or less.

To have and to hold the above premises for the term of ten (10) years and so long thereafter as oil or gas is found on said premises in paying quantities.

If gas only is found, the lessee agrees to pay at the rate of Fifty dollars per Million Cubic feet each year, payable quarterly, for the product of each well while the same is being sold off the premises, and the lessors to have gas free of cost at the well to heat all stoves and for lights in one dwelling house on the premises during the same time, to be used at the lessor's risk. Provided, however, that lessee shall first have sufficient gas for drilling and operating his wells.
